CMA Price List Pack

Canal Wharf Veterinary Practice

LS1 4DY · Read 2026-11-18 · Demonstration, not a live practice

This pack is a practical reading of a published price page against Article 7 and Schedule 1 of the Veterinary Services Market Investigation Order 2026. It is not legal advice. The practice is responsible for the prices it publishes.

1. Format check

Format score: 100 out of 100.

Check	Order	Points	What we saw
A price list is on the page	7(3)(a), 7(4)(b)	10 / 10	The page has prices, and the title, heading, or navigation uses price or fees.
Schedule 1 names, without extra description	7(2)(a)	20 / 20	33 of 33 priced rows use the Schedule 1 name, with no extra description in the row.
Each of the 36 services is priced or marked not offered	Schedule 1	15 / 15	36 of 36 Schedule 1 services are priced or marked not offered. A service that is missing is not the same as one marked not offered.
Prices include VAT	7(2)(f)	10 / 10	The page says prices include VAT.
Complex cases may cost more	7(2)(l)	10 / 10	The page says prices are for a typical case and may increase when a case is more complex.
The six pet categories, where prices vary	7(2)(c)	15 / 15	33 of 33 priced services use all six official bands (cat, small dog, medium dog, large dog, extra-large dog, giant dog). A single price is accepted only where the page says prices do not vary by species or weight.
Component boxes on dentistry and neutering	7(2)(e)	10 / 10	3 of 3 priced dentistry or neutering rows mark all seven Article 7(2)(e) components as included or not included.
Durations, plan link, and certificate note	Schedule 1	10 / 10	6 of 6 required extras are present (appointment duration, pet-care-plan link, or additional-animal charge).

2. Benchmark against the 15 nearest practices

Local first-consultation median: £49.00 from 13 lists within 40 km. The median uses a cat price where the list has one, otherwise the single price.

The page we read shows £52.00 for a first consultation. The local median is £49.00.
